The Benefits of Belonging

Dear Tonya,

Welcome! We're excited that you have joined ANA and look forward to being by your side with resources, support, and services for use today and every day throughout your nursing career.

There is a lot that comes with ANA membership! Over the next few weeks I'll be highlighting specific benefits for you, how to access and explore them, and how membership can help you in so many ways. A quick, step-by-step journey through your ANA benefits!

Take a few minutes now to [log in to your ANA account](#) and familiarize yourself with your ANA membership and all ANA has to offer. This week, please review your member profile to be sure that all your personal information is up to date so you can receive timely and relevant content that is specific to your interests.

As a new member you may not be aware of all that ANA has done, and continues to do, during the COVID-19 pandemic. Every day since the pandemic began, ANA and our state nurses associations have fought tirelessly to help you—and all our nation's RNs—safely and effectively respond to the virus and protect patients. ANA has:

- provided up-to-date clinical information through our COVID-19 Resource Center,
- supported the needs of nurses through the *COVID-19 Response Fund*,
- provided information that nurses can apply immediately through our *COVID-19 Video Education* series, and
- provided free and discounted resources for nurses to address the personal impact of the pandemic through our *Well-Being Initiative* and *Self-Recovery Package* for Nurses.

And we could not have done all this without members like you.

Visit nursingworld.org/coronavirus for these and more resources that are available to you immediately.

As a special thank you for your ANA membership, and to encourage you to dive into your ANA

member benefits, please enjoy **20% off all online courses and webinars at nursingworld.org**! Just use code **NewMember21** when you register. This code is valid for one-time use during your first 3 months of membership, so please act now.

Your membership card is on its way and should arrive within the next few weeks. I personally look forward to supporting you in your nursing career. Thanks again for joining our community!

Sincerely,

Debbie Dawson Hatmaker, PhD, RN, FAAN
